

## Technical Information

# Welders Anti Spatter

## Welding Aide

### **Product Description**

ASV® Welders Anti Spatter is a non-corrosive, non-staining anti stick separation agent for preventing adherence of spatter to welding surfaces.

It prevents burning of welding spatters on contact tips and work pieces thereby eliminating the need for chiseling, grinding or brushing after welding.

ASV® Welders Anti Spatter improves surface finish of equipment and saves valuable time and labor.

### **Applications**

For prevention of spatter formation on:

- Nozzles
- Work pieces
- Torches
- Jigs

### **Benefits**

- Prevents burning of welding spatters on contact tips & work pieces
- Provides long lasting anti adherent effect
- Improves surface finish
- Extends nozzle life

### **Directions for Use**

Spray evenly thin light coats onto the surface. Also spray into the welding nozzle before starting operations and reapply as required. Wipe off the spatter with a light cloth or by slightly tapping the nozzle.

### **Caution**

Do not spray near naked flame, hot surfaces or energized equipment. Use with adequate ventilation.

## Welding Aide

### Technical Properties

Property	Value
Type	Release agent
Appearance	Oily liquid
Color	Water white
Odor	Odorless
Specific Gravity	Less than 1.00 gm/cc
Flash Point	-18°C
Boiling Point	ND
Vapor Pressure (air=1)	ND
Solubility	Nil in water
Temperature Range °C	Up to +250°C
Propellant	Non CFC

\* of active ingredients

### Available Packaging

- 500 ml aerosol spray
- 5 liter container

### General

Use in well ventilated areas. Avoid continuous breathing of vapor and spray mist. In closed areas or areas with poor ventilation, use respiratory protection. For complete details on safety, short and long term exposure, refer to this product's safety data sheet (SDS).

### Disposal

All used and unused product should be disposed of in accordance with state regulations.

### Shelf Life

Bulk - 12 months from date of manufacture in sealed condition  
 Aerosol - 24 months from date of manufacture

### Handling

Read instructions on the container label of the product before use. The product safety data sheet (SDS) contains the relevant information regarding personal protective equipment, safe use, physical and health hazards. Safety data sheet is available from ASV or your local ASV distributor.

### Limited Warranty

The information and data contained in this sheet is accurate to the best of our knowledge or is obtained from sources, tests or experiences believed by us to be reliable and accurate. User is responsible for determining whether recommended ASV® product is fit for a particular purpose. All products should be tested for suitability on a particular application prior to actual use. We make no representations of any kind. Data offered without warranty.
