

Technical Information

PCL 200

Anti Fluff, Autoconer Cleaner Spray

Synthetic Lubricant & Cleaner for Precision Textile Equipment

Product Description

ASV® PCL 200 spray is a non-staining synthetic lubricant cum cleaner for textile machinery parts such as scissors and cutting mechanisms of knotters and splicers in weaving, winding, spinning, sewing and knitting machinery where mechanisms are intricate and delicate and operating speeds are high.

It is useful for cleaning dirt, dust, fluff and provides a non –staining, anti static mild lubricating film for reducing wear and friction.

ASV® PCL 200 spray does not contain any CFCs or harmful ozone depleting substances.

Benefits

- Clear & non-staining ultrathin film
- Cleans moisture, dirt, dust, fluff
- Penetrates metal crevices
- Provides mild lubrication
- Protects from corrosion
- No carbon residues

Directions for Use

Spray evenly thin light coats on clean and dry surfaces. Allow the cleaning solvents to evaporate. Spray from a distance of 20-30 cms. Use extension tube for pinpoint application.

Caution: Flammable contents. Do not spray near naked flame, hot surfaces or energized equipment. Use with adequate ventilation.

Technical Information

PCL 200

Anti Fluff, Autoconer Cleaner Spray

Technical Properties

Property	Value
Type	Cleaner & mild lubricant
Appearance	Liquid
Color	Clear
Odor	Mild
Specific Gravity @ 20°C gm/cc	0.65-0.85
Flash Point	-18° C (aerosol)
Vapor Pressure (air = 1)	> air
Evaporation Rate	> n-butyl acetate
Solubility	Nil in water
Propellant	Non CFC

* of active ingredients

Available Packaging

- 500 ml aerosol spray

General

Use in well ventilated areas. Avoid continuous breathing of vapor and spray mist. In closed areas or areas with poor ventilation, use respiratory protection. For complete details on safety, short and long term exposure, refer to this product's safety data sheet (SDS).

Disposal

All used and unused product should be disposed of in accordance with state regulations.

Shelf Life

24 months from date of manufacture in sealed condition

Handling

Read instructions on the container label of the product before use. The product safety data sheet (SDS) contains the relevant information regarding personal protective equipment, safe use, physical and health hazards. Safety data sheet is available from ASV or your local ASV distributor.

Limited Warranty

The information and data contained in this sheet is accurate to the best of our knowledge or is obtained from sources, tests or experiences believed by us to be reliable and accurate. User is responsible for determining whether recommended ASV® product is fit for a particular purpose. All products should be tested for suitability on a particular application prior to actual use. We make no representations of any kind. Data offered without warranty.
